To My Precious Daughter, Luella Laney –

Daughter of Light

My Dearest Luella,

Before you were ever born, I knew you were filled with light. I didn't give you the name "Daughter of

Light" because it sounded poetic — I gave it to you because it's who you are. You shine with the truth,

With beauty, with grace, and with a heavenly light that no darkness can ever put out.

I want you to know something sacred — something the world often forgets, but you never have to: You

and YESHUA are one. You always have been.

There has never been any distance between you and God. Not one inch. Not one sin. Not one mistake.

Nothing you ever do can undo what He has already finished.

You are not trying to get to Heaven — Heaven is already in you.

You don't need to strive to be holy — you already are.

You don't need to invite Jesus into your heart — He never left.

This memory book you hold is not a list of things to achieve — it's a mirror. A reminder. A scroll of what

is already true about you.

Every word in this book came not from Daddy's opinions, but from the voice of YESHUA inside me

heart — the same voice that now lives inside yours. We created this together — YESHUA and I — just

for you.

And one day, when the world tries to tell you you're not enough, or that you have to earn love, or that

God is far away… you'll know better. Because these words will still be echoing in your heart.

You are loved.

You are perfect in His sight.

You are light.

You are free.

You are His.

And so I say to you, as your earthly father — but also as your brother in YESHUA:

Shine, Daughter of Light.

Shine without fear.

Shine with the truth this world has waited to see.

You are not separate. You are not lost.

You are the finished work, walking around in love.

All my love, always,

Daddy

“The Light Remains”

My Darling Luella,

This is the last page of the book — but not the last page of your story.
In fact, your story is still being written every single day, with light, love, and laughter.

Every verse you've colored... every page you've read... every truth you've remembered...
is not just ink on paper — it's **truth written on your heart**.

And here's the most beautiful part:
The Kingdom isn't waiting on a mountaintop.
It isn't locked behind a door.
It isn't far away.
It's already here.
It's already **in you**.

You are the daughter of light.
You are the echo of Heaven.
You are God's poem in motion.
You are what YESHUA sees when He smiles.

So, as you close this book, remember — nothing can dim your light.
Not sadness. Not fear. Not what others say. Not even mistakes.

Because this truth doesn't come from trying harder.
It comes from remembering who you already are.

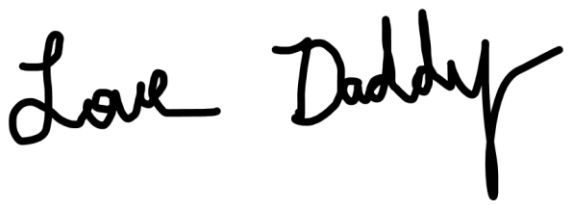
📖 This isn't a book to put on a shelf.
It's a treasure map to your own heart.

Read it again when you forget.
Color it again when you're sad.
Share it again when someone else needs light.

And when you're older... if you ever wonder if Daddy loved you...
just open this page again — and you'll feel me hugging you right through the words.

You are not becoming the light.
You already are.

Now go shine...
forever.

With all of Heaven cheering you on,
Daddy ✨🤍


(Co-written again… with YESHUA — who whispered the whole time:
“She is My light. She is My joy. She is My daughter, forever.”)
